| Appendix 1 - EIC's UAE Market Update | |

The Energy Industries Council (EIC), in partnership with KEZAD Group, have invited industry leaders to take part in an exclusive roundtable discussion aimed at strengthening collaboration between leading UK energy companies and one of the UAE's most forward-thinking industrial and logistics hubs.

This roundtable brings together senior representatives from KEZAD Group and UK energy sector leaders for a high-level, in-person dialogue on the evolving energy landscape in the UAE and broader MEASA region. Participants will explore strategic opportunities for expansion, collaboration, and innovation, with a focus on:

- Understanding the UAE's industrial and economic growth priorities
- Identifying areas for partnership in clean energy, technology, and sustainability
- Gaining insight into how KEZAD Group supports international companies entering the region
- Sharing experiences and practical considerations for scaling operations in the UAE

Event details:

Date: Tuesday 24th June 2025

Time: 10:15-12:30

Location: Schneider Electric, 2nd Floor, 80 Victoria Street, London, SW1E 5JL

- 10:15 Delegate Arrival
- 10:30 Introduction - Neil Golding, Director of Market Intelligence, Energy Industries Council
- 10:35 Welcome - Mohamed Al Khadar Al Ahmed, CEO, KEZAD Group
- 10:40 KEZAD Presentation - Cem Kurkcuoglu, Manager of Commercial & BD, KEZAD Group
- 10:50 Roundtable Discussion - Strengthening UK-UAE Energy Collaboration
- 11:30 Closing Remarks
- 11:35 One-to-One KEZAD meetings
- 12:30 Event Close

About EIC:

EIC is the world's largest, energy-agnostic trade association, supporting companies that supply goods and services to the world's energy industries. The EIC is a not-for-profit organisation with a membership of over 800 companies worldwide. EIC helps its members to export, diversify and grow, working with companies ranging in size from the world's largest operators, contractors, operators and manufacturers, through to SME's and more specialised product and service companies.

Roundtable Participants:

Neil Golding
Director of Market Intelligence, EIC

Chris Shirley
Market Intelligence Manager, EIC

Mahmoud Habboush
Communications Advisor, EIC

About KEZAD Group:

KEZAD Group is the UAE's largest provider and operator of fully integrated economic cities, free zones, value-added business services, staff accommodation, and industrial real estate solutions. It offers a direct route into the UAE, one of the most business-friendly economies in the region and serves as a launchpad into the wider Middle East, Africa, and South Asia (MEASA) markets. For UK companies looking to grow internationally, KEZAD provides a low-barrier, high-potential entry point.

Roundtable Participants:

Mohamed Al Khadar Al Ahmed
Chief Executive Officer, Khalifa Economic Zones, Abu Dhabi

Jameela Ahli
Director - Commercial & BD - EC & FZ

Cem Kurkcuoglu
Manager - Commercial & BD

Yousef Hasan Bin Humaidan Al Zaabi
Director - Stakeholder Management & Strategic
Partnership - EC & FZ - CEO Office - Economic Cities &
Free Zones

VENUE HOST

Schneider Electric:

Schneider Electric's purpose is to create Impact by empowering all to make the most of our energy and resources, bridging progress and sustainability for all. At Schneider Electric, we call this Life Is On.

Our mission is to be the trusted partner in sustainability and efficiency. Technology and data accelerated by artificial intelligence, deliver progress in a complex world. This new frontier requires bold and intentional commitment against climate change, harnessing both the supply and demand sides of the energy transition.

About Abu Dhabi Investment Office:

Our team helps investors and companies of all sizes establish their business, grow and develop in Abu Dhabi.

As the central government hub supporting investment in Abu Dhabi, we are committed to growing the emirate's private sector and diversifying its economy.

In fostering Abu Dhabi's innovation ecosystem, we enable opportunities that support long-term, sustainable success for investors and businesspeople based in the emirate and across the region.

Roundtable Participant:

Hana Alali

Country Manager, Abu Dhabi Investment Office

About A UK Trade and Infrastructure Enterprise Limited (AUKTIE)

AUKTIE (A UK Trade and Infrastructure Enterprise Limited) is a UK-based consultancy at the forefront of sustainable infrastructure and ESG advisory. With over two decades of experience across Europe and Africa, we specialise in delivering climate-resilient, commercially viable, and innovation-driven solutions for governments, investors, and enterprises navigating the green transition.

Roundtable Participant:

Patrick Ogunnowo

About BMG Financial Group:

BMG Financial Group (BMG) is a Saudi-based company licensed by the Saudi Capital Market Authority (CMA) offering Investment Banking activities to clients and investors in Saudi Arabia and globally.

BMG believes in creating unique relationships with its clients through collaboration and 'partnerships'. This innovative way of doing business helps clients not only to realize their vision but furthermore to create tangible value. BMG's success in this highly competitive market stems from its ability to mobilize the right people with the right experience who always think out of the box. BMG's ethos of inventing new and dynamic financial solutions is what has distinguished it from its competitors. Throughout service delivery, BMG honors its commitment to the very best in quality, strict confidentiality and positive results.

Roundtable Participant:

Nasser Salem
Lawyer, BMG Financial Group

About ERM:

Our purpose is the driving force behind the way ERM shows up for clients and society. 'Shaping' means we are actively influencing, collaborating and co-creating 'a sustainable future' has been defined through the Sustainable Development Goals (SDGs). And “with the world’s leading organizations” inspires collaboration with our clients and society’s most prominent changemakers alike in order to make a difference through our work.

We continue to innovate and invest to ensure we have up-to-date capabilities and the broadest set of skills to support our clients’ needs and deepen our impact at any level of their business. At the same time, ERM values remain constant – accountability, client focus, collaboration, empowerment, care for our people and transparency.

Roundtable Participant:

Rob Agarwal
Partner - Diversified Energy, ERM

About Kelvion:

We are the leading global developer and manufacturer of heat exchange solutions. Renowned for our commitment to innovation and sustainability, we deliver cutting-edge thermal management solutions that empower customers to ensure reliable, efficient and sustainable operations.

Our extensive portfolio serves a wide range of applications such as data centres, blockchain technology, hydrogen production, heat pumps, marine, HVAC, refrigeration, and the food and beverage industry. Our global sales, service and production network ensures that we are always available to support customers wherever they are in the world.

Roundtable Participant:

Daniel Whitton

Sales Manager - Power, Energy, Oil & Gas, and
GreenTech - UK & Ireland, Kelvion

About Majlis Energy:

A financial and project development firm, with focus on the energy infrastructures, Majlis Energy supports its clients with a wide range of services from the early stage of the project to the operations.

The client can benefit from Majlis having a unique interface from the feasibility study, tailoring the business, operations and financial needs to its own profile. Majlis team accompanies the project from the beginning, sitting on managerial position sharing the complete experience with the final client, which become a real partner.

Roundtable Participant:

Francis Akpata
Chief Executive Officer, Majlis Energy

About Modular Clinton Global:

MCG is a London/Montreal-based company focusing on Blockchain-enabled supply chain traceability and carbon visibility solution in the emerging Physical Internet (PI) era.

Roundtable Participant:

Clinton Liu
Director, Modular Clinton Global

About PD & MS Group:

PD&MS is a multi-disciplined EPCC offering specialist services to the energy sector. As a flexible, full-service provider committed to supporting the transition, we deliver high quality work across the entire lifecycle of assets within the oil and gas, renewables and nuclear sectors. Our clients trust us to work with them as strategic partners, improving resource flexibility and maximising return.

Roundtable Participant:

Laura Stewart

Business Development Director, PD & MS Group

About Transcar Projects:

Transcar Projects is one of Europe's leading privately held project freight forwarders. Utilising our ability to provide a more personalised service whilst also being large enough to manage and execute multi-million dollar freight contracts, we pride ourselves on repeat business from many of the World's largest Engineering Companies and Oil Majors.

In an industry where one size does not fit all, we cherish our independence and pride ourselves on our flexibility which enables us to tailor our services to suit exactly what you need.

Roundtable Participant:

Nadia Lewis
Business Development & Commercial Manager,
Transcar Projects

About TRS Workforce Solutions:

TRS works around the world finding and connecting the best talent with businesses and organisations that: design, build, operate, maintain, or support the production of goods and services for a variety of industry sectors covering; oil, gas, chemicals, infrastructure, life sciences, manufacturing, maritime, mining, power, renewable energy, and public sector.

Roundtable Participant:
